Local Practice Forum

Free Entry for Members

Programme:

- 1.30 Registration Opens**
Take advantage of RPS and CPD stands and information these provide.
- 2.00 Introduction**
Conference Chair Dr Paul Rutter
University of Wolverhampton
- 2.10 Where next for pharmacy?**
Mike Holden
Chief executive of National Pharmacy Association
... Leveraging the interactions – the role of pharmacy in public health and self-care.
... Integrated commissioning of integrated care – supporting long term conditions...
- 2.40 Horizon scanning – what next for medicines?**
Sue Gough, Critical Evaluation Pharmacist
Southampton University Hospitals NHS Trust
... Find out what a Critical Evaluation Pharmacist does.
Learn about sources of information on newly marketed medicines and ones in development...
- 3.10 Innovative Medicines & How to make them Affordable in the New NHS**
Omar Ali, Formulary Development Pharmacist
Surrey&Sussex NHS Trust
... How will value based pricing work when the PPRS is abolished in 2014 and what will the future of NICE become?
... How will Pharmacy fit into the new world model of commissioning on outcomes and how will this serve to encourage use of better outcomes...

Special Feature:
Posters from recent UKCPA on display

Lianne Denton, LPF Facilitator & RPS representative will be at your disposal to answer all those those burning questions. Hear about the Membership Benefits that you may not be taking full advantage off!

With mandatory CPD now, **Sue Carter, RPS CPD Facilitator & CPPE Local Tutor**, will be available throughout the afternoon to show you that it is even easier with hints and tips on how to make a record starting at each stage using sessions to show how a record could be written from what has just been heard and what the reviewers are looking for.

Programme:

- 3.50 Tea break**
- 4.15 Evidence of success in pharmacy**
Sarah Billington, LPC Chief Officer
- 4.45 Innovation, automation and inspiration**
Alison Sparkes, NUMARK, Welsh Advisory Board
... Use of robotic dispensing. Using IT to engage the whole pharmacy team. Problem solving and creative thinking...
- 5.15 Let's make it happen!**
Deborah Evans, Development Lead, Hampshire and IOW LPC
... Leading the change – what is the role of the pharmacy leader? Enabling the whole team & embedding change...
- 5.45 Closing Remarks**
Brief summary and validation of the event by the Chair.
- 6.00 Informal Feedback & Networking**
Opportunity to ask speakers and organisers any questions.
- 7.00 Conference Dinner**
